

Prepare for Get Acquainted Visit

- I have scheduled a get acquainted visit.
- I have an extra key for APS to keep on file so I may call even with short notice.
- I have my pet's information sheets filled out so APS can provide proper care of my loved ones and home. (Found on Services page)
- I have payment in check or cash for my first set of visits.
- I have let my pets know I love them and so I am leaving them in the care of Athens Pet Sitter.
